Powerful Stories. Diverse Voices.

INTRODUCING SIMON & SCHUSTER'S BOOKS LIKE US

Simon & Schuster authors and employees share the moment when they were able to connect with a character that reflected their own personal narrative. For diverse authors, this meeting of a literary kindred spirit may have occurred in childhood, but for many, it wasn't until they were adults. Seeing themselves reflected in a book had a powerful impact on their sense of self and shaped the writers they would later become.
